

Directional Flow Arrow Tape

Use our directional flow arrow tape to easily and effectively mark pipe flow direction. Our pipe banding arrow tape is made from a durable vinyl base stock with an aggressive adhesive and clear over-lamination to protect the printed surface and offer years of service.

All our banding tape has a continuous print design with no white line every foot, which allows for a professional looking installation.

All colors meet the ANSI 535.1 Safety Color Chart and comply with ANSI / ASME A13.1 standard for pipe markings including the new colors introduced under ANSI/ASME A13.1-2007.

ANSI/ASME A13.1-2007 Colors

Fire quenching fluids	Flammable fluids	Potable, cooling, boiler feed & other water
Toxic & corrosive fluids	Combustible fluids	Compressed air

Pipe banding enhances durability of pipe markers and improves worker safety. Easily mark flow direction in pipes. Durable vinyl construction with over-laminated print.
