| Stock No. | Description                               |
|-----------|---|
| PT116W    | 1/16" x 12" Pull Tight Cable Seal (White) |

## PULL TIGHT PLASTIC SEAL

To prevent tampering, this seal houses the metal insert in a separate casing which is then welded into the locking chamber. Wide range of colours and specialised versions available. High resistant to temperature changes. Tail diameter is 2mm. 12" usable.

**Applications Include:**

- Truck trailers
- Meat industry
- Chemical containers
- Airline carts
- Emergency doors
- ATM cassettes
- Grain silos
- Gates

# HIGH SECURITY SEALS

## SOLID METAL PIN SEAL

The ideal High Security Container Seal for containers, trucks, trailers etc. The bolt is made of solid metal with a very high cutting strength for protection against harsh tools. The metal cylinder is covered by non-flammable PC shock proof plastic.

- ISO / PAS 17712 as a High Security Seal
- C-TPAT compliant.

Custom seals are available printed with your company name and consecutive numbering

| Stock No. | Description                  |
|-----------|------------------------------|
| SM79W     | Solid Metal Pin Seal (White) |

## ANTI-SPIN FLEXIBLE SEAL

The Flexible High Security container seal with anti-spin feature. The patented flexible design provides a high degree of flexibility to fit on any container, truck or trailer door hasp. The patented anti-spin feature ensures that the pin with its 4 "fins" as part of the locking mechanism prevents friction attacks. The cylinder is made of metal with a non-flammable PC shock proof plastic cover.

- ISO / PAS 17712 as a High Security Seal
- C-TPAT compliant.

Custom seals are available printed with your company name and consecutive numbering

3 PIN COLOURS TO CHOOSE FROM

| Stock No. | Description            |
|-----------|------------------------|
| AS79R     | Anti-Spin Seal (Red)   |
| AS79B     | Anti-Spin Seal (Blue)  |
| AS79K     | Anti-Spin Seal (Black) |
