

# COARSE RESILIENT TEXTURED PVC TRACTION TAPE

*Resilient Textured PVC Tape works great in the office, plant, locker room or areas with bare foot traffic. Our Resilient Textured PVC product is not like bath products you would see at the hardware store. This surface has a deep embossed surface that will perform in heavier duty applications, while still being comfortable for bare foot traffic. We recommend this product in office environments and light plant uses, it can be very easily cleaned and will not trap dirt the way normal grit products can. Can easily mop surface.*

*• Virtually Water-Proof • Bare Foot Applications • Mop Compatible Surface*

*• Resilient PVC Texture • Semi-Flexible Surface • Aggressive Adhesive • Deeply Embossed • Non-Abrasive*
